## Liability Release & Hold Harmless Agreement

All persons joining the Central Oregon Mushroom Club (COMC) or participating in forays, field trips, camping, or other COMC activities must sign this form before becoming a member or participating in any COMC activities or events.

I understand there are risks associated with participating in a mushroom foray, field trips, or other related COMC activities. These are the risks one assumes by being away from home and driving or riding in a car or other conveyance; risks associated with being in or moving about in fields and woods; risks of tripping, falling or injuring oneself; risks of wild animals and insects; risks of falling trees and other hazards known and unknown; risks in getting lost; risks that involve handling, identifying, picking, or eating mushrooms; risks of losing personal property by theft or misplacement; and all other risks expected and unexpected.

In joining Central Oregon Mushroom Club, signing up for or attending forays and other COMC events, I agree to assume total responsibility for my own safety and well-being and that of any minor children or other dependents under my care (including animals,) and for the protection of personal property.

I release the Central Oregon Mushroom Club, its directors, officers, volunteers, contractors and all other persons assisting in the planning and presentation of, or participating in any COMC foray, field trip, event, or any related activities, from liability for any sickness, injury or loss, that I, or any minor child or dependent under my care may receive or suffer during any activity related to COMC or as a result of attending or participating. I further promise not to file a lawsuit or make a claim against any of the persons listed above, even if they negligently cause me or anyone under my care injury or loss.

I consent and authorize representatives of COMC on my behalf to obtain any necessary medical or hospitalization or other such care necessary for my health and welfare and I agree to be responsible for and pay the cost of such medical treatment and hospitalization.

I agree to hold Central Oregon Mushroom Club, and those mentioned above, forever harmless from any liability that may result from damage to any property, or injury to any person that I may cause. This release and promise is part of the consideration I give in order to participate in COMC activities. I understand it affects my legal rights. This applies to myself, my heirs, agents, assigns, representatives, and anyone else with a right to bring a claim on my behalf. This liability release and hold harmless not to sue remains in effect until revoked in writing.
